

GREIFERRAND: 10 mm Rand nicht bedruckbar!

GREIFERRAND: 10 mm Rand nicht bedruckbar!

The diagram shows a rectangular page with a blue border. At the top, there is a shaded blue horizontal band with diagonal lines, representing a 10mm unprintable margin. Below this band, a blue curved line starts at the top corners and curves downwards towards the center, indicating the shape of the page's top edge. The rest of the page is white.
